Present at Site School Staff
David Adams, Beechwood Administration
Paul Purser, DBA

Observations Arriving on site, spoke with David Adams as I first entered building 2. I asked if everything was going well and if they had any complaints; he said everything was going well and that he had no complaints.

I walked building 3 and 1 and noted no changes in ceiling aside from some additional grid removed at the high ceiling areas.

Items to Verify None

Action Required None
