Present at Site Zach Jennings, Thrash Construction
Paul Purser, DBA

Observations When I arrived on site, I began my walk through and met Zach Jennings (TC). He showed me around and we walked through each space, discussing progress and future plans. I noted High Ceilings were complete in both buildings.

Most Classrooms were complete or nearing completion. Kitchen has been completed.

Work in the gym has progressed, specifically the prime coat for new flooring has been applied.

Items to Verify None

Action Required None
