Work in Progress Interior Service Work
Present at Site Jimmy White, PJ&S
James Brock, PJ&S
Paul Purser, DBA

Observations Arriving on site, I met Jimmy White (PJS) and James Brock (PJS) at the rear of the school. They both mentioned that progress was being made but that some subs did have some issues with COVID-19 issues.

At the addition, service workers were inside installing rough in materials. Plywood blocking has been installed at steel studs. Some ducting has been installed.
