Work in Progress Masonry Installation

161 Lameuse Street, Suite 201
Biloxi, MS 39530
P 228.374.1409
F 228.374.1414

Present at Site Paul Purser, DBA

Observations I arrived on site and walked to the rear of the building to see addition progress. Masonry is ongoing and around 60% with CMU block walls. Hollow Metal Door frames have been installed and are being blocked around.

At the interior, rough in plumbing appears to be complete.

Items to Verify None

Action Required None
