Observations Arriving on site, I entered through the front entry. Awning work here is nearing completion. Stucco, here, is complete as well.

At the interior, the temporary wall between cafeteria sections has been removed. Work in this area is ongoing.

Finish work at the 2<sup>nd</sup> floor corridor is being performed. The connector has been opened and temporary walls have been removed. Ensure security on site at this connector and that doors here are lockable and being locked overnight.
